## **Widening and Resurfacing on Northwest Highway at Broadway Street**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Northwest Highway (U.S. 14) at Broadway Street, in Des Plaines, beginning, weather permitting, the week of May 30. The closures are necessary for a widening and resurfacing project.

In order to complete the work, Northwest Highway will be reduced to one lane in each direction for the duration of the project.

The scope of the project consists of widening and resurfacing the roadway, as well as the installation of a new traffic signal. The project will add a left turn lane from southeast bound Northwest Highway to Broadway Street.

The overall project is expected to be completed in Spring 2018.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
